Answer 2: Objects

```
<head >

<script>

var box={color:"green",length:8,height:12,area:function(){

return this.length*this.height;

}

}

document.write("Colour: " + box.color  +  "<br>")

document.write("Lenght:"  + box.length +  "<br>")

document.write("Height:" + box.height +  "<br>")

document.write("Area:" + box.area() +  "<br>")

</script>

</head>
```
